

X-FILL™ Paper Void Fill System

Paper void fill is a fast, cost-effective and environmentally friendly way to secure consignments within oversized cartons.

Using patented new-generation technology, the X-FILL outperforms all comparable products.

- > Anti-jamming paper feed and “load and go” paper packs almost eliminate downtime.
- > At 1.7 metres per second it is up to 21 % faster than the nearest equivalent machine on the market.
- > Its modular construction has been designed so that it can be assembled and ready to run in less than five minutes.
- > Mounted on a height-adjustable stand with lockable castors, its compact design and small footprint mean it can be easily deployed to any location requiring instant, on-demand paper void fill.
- > Output is further increased by foot pedal operation and auto cutting, which cuts the paper stream to the required length rather than the operator having to tear it.

Specifications

- > Output type pre-set/continuous void fill
- > Output rate > 1.7m/s
- > Paper stock XF-P001 (single-ply 50gsm Kraft)
XF-P002 (single-ply 70gsm Kraft)
- > Power supply 230v 50Hz
- > Power usage 100W
- > Weight 26kg (52kg inc. stand)

21%
faster than nearest
equivalent machine
on the market !

Simple to use digital control panel offers functional flexibility

Quick and easy paper feed

The X-FILL head can be tilted to precisely align the outfeed where required

Lockable castors for extra stability

Remote foot pedal operation

X-Fold™ Paper Void Fill Packs

Patented X-Fold™ paper packs produce the maximum degree of three-dimensional cushioning in proportion to paper usage. The design of the pack’s leading edge also makes it easy to feed into the X-FILL and multiple fan-folded paper packs can be spliced for continuous feed.

XF-P001 50gsm X-Fill Paper

- Features**
- > Paper type single-ply 50gsm kraft
 - > Paper width 381mm
 - > Paper length 500mtr
 - > Pack Dimensions 280 x 381 x 140mm

XF-P002 70gsm X-Fill Paper

- Features**
- > Paper type single-ply 70gsm kraft
 - > Paper width 381mm
 - > Paper length 360mtr
 - > Pack Dimensions 280 x 381 x 160mm

X-PAD™

Paper Pad Fill System

Paper padding offers increased cushioning and impact absorption for carton contents whilst in transit and storage. It can be used to line cartons and be wrapped around or layered between products.

Using patented second-generation technology, the X-PAD outperforms all comparable products.

- > Anti-jamming paper feed and "load and go" paper packs almost eliminate downtime.
- > 0.9 metres per second it is up to 75% faster than the nearest equivalent machine on the market.
- > The Mitsubishi touch screen control panel allows the operator to programme and store frequently used pad sizes.
- > Its modular construction has been designed so that it can be assembled and ready to run in less than five minutes.
- > The X-PAD is mounted on a freestanding, height-adjustable stand for rapid deployment to any location requiring instant, on-demand paper void fill.
- > Output is further increased by foot pedal operation and auto cutting, which cuts the paper stream to the required length rather than the operator having to tear it.

75%
faster than nearest equivalent machine on the market!

Remote foot pedal operation

Specifications

- > Output type pre-set/continuous void fill
- > Output rate > 0.2-0.9m/s
- > Paper stock
 - XP-P001 (2-ply 70/70gsm Kraft)
 - XP-P002 (2-ply 50/70gsm Kraft)
 - XP-P003 (1-ply 70gsm Kraft)
 - XP-P004 (1-ply 90gsm Kraft)
- > Power supply 230v 50Hz
- > Power usage 200W
- > Weight 48kg (87kg with stand)

Quick and easy X-PAD paper reloading

The X-PAD head can be tilted to precisely align the outfeed where required

Lockable castors for extra stability

Digital touch screen control panel

X-Fold™

Paper Void Fill Packs

Patented X-Fold™ paper packs produce the maximum degree of three-dimensional cushioning in proportion to paper usage. The design of the pack's leading edge also makes it easy to feed into the X-PAD and multiple fan-folded paper packs can be spliced for continuous feed.

XP-P001

70/70gsm X-PAD Paper 

- Features**
- > Paper type 2-ply 70/70gsm kraft
 - > Paper width 762mm
 - > Paper length 300mtr
 - > Pack dimensions 280 x 381 x 480mm

XP-P002

50/70gsm X-PAD Paper 

- Features**
- > Paper type 2-ply 50/70gsm kraft
 - > Paper width 762mm
 - > Paper length 350mtr
 - > Pack dimensions 280 x 381 x 350mm

XP-P003

70gsm X-PAD Paper 

- Features**
- > Paper type 1-ply 70gsm kraft
 - > Paper width 762mm
 - > Paper length 360mtr
 - > Pack dimensions 280 x 381 x 290mm

XP-P004

90gsm X-PAD Paper 

- Features**
- > Paper type 1-ply 90gsm kraft
 - > Paper width 762mm
 - > Paper length 360mtr
 - > Pack dimensions 280 x 381 x 330mm
